IF CHOSEN, YOU WILL RECEIVE AN EMAIL ASKING FOR A SHORT FAMILY BIO AND FAMILY PICTURE SUBMISSION.

Character Education

September

We Are Friends

THE GOAL THIS MONTH IS TO HELP PRESCHOOLERS NAVIGATE FRIENDSHIPS AND UNDERSTAND WHAT IT MEANS TO BE A FRIEND. LEARNING HOW TO BE A FRIEND IS A VITAL PART OF A CHILD'S SOCIAL-EMOTIONAL DEVELOPMENT. CHILDREN WILL LEARN THE VALUES OF COOPERATION, SHARING, RESPECT, AND BEING ATTENTIVE TO ONE ANOTHER

Resources

Health & Safety

Sick Child Policy

If your child becomes ill, we will call you or a designated adult included on your Emergency Information form as soon as possible so that your child can be picked up from the Academy. While your child waits for you or another trusted adult to arrive, he or she will rest quietly away from other children.

Specific Symptoms and/or Conditions

To maintain the healthiest environment for all children, we ask that parents please be respectful of the other attendees and staff members, and refrain from bringing children to the Academy when a child exhibits any of the following:

- A contagious or communicable disease
- A temperature of 100 degrees or higher
- Heavy nasal discharge that is yellow or greenish in color
- A persistent cough
- Draining eyes, ears, nose or any open sore
- Diarrhea or vomiting
- Lack of proper immunizations
- Inability to participate in play, both indoors and outdoors
- Strep throat (child must be out of the Academy for a minimum of 48 hours and must be taking prescription medication)
- Unknown questionable rashes and impetigo, measles, chicken pox, etc. Highly infectious conditions will require a physician's written approval before returning to the Academy. Kiddie Academy reserves the right to require a physician's written approval to return to the Academy due to any illness.

Note: children who have been sick must remain fever-free for 24 hours before returning to the Academy. All children must have a current and complete record of immunizations before attending the Academy.

Medications

In keeping with state regulations, Kiddie Academy may not dispense any medication to your child without your written authorization via a Medication Order form completed by both you and your pediatrician. By filling out this form, you give our designated, trained staff permission to administer the medication. The Medication Order form must include dosages, start/end date, and possible side effects. This form also serves as a record of dosages given to your child. All medication must be in its original container, labeled with the child's complete name, address, physician's and pharmacy's name and phone number, recommended dosage, and times and method of administration. When children complete prescribed treatment, we return any remaining medication to parents.

Over-the-counter medicines such as aspirin, cough syrup, etc., will be dispensed in accordance with the state child care regulations. If in doubt, please discuss the policy for administering medicine under your state's regulations with the director.

Sunscreens and topical lotions may be applied as needed under written parental instructions. A Medication Order form may be needed based on each state's requirements.

Resources

In order to have another form of communication, we now have a Facebook Group for KAF Parents and Guardians. Each week, I am posting reminders for the week as well as the menu. Just search for “KA Franklin Parents/Guardians” and request to join!
